

Placing an Order

1. Contact our Radius office and speak with our engineering department to determine what product best fits your needs.
2. Once you have determined what product best fits your needs you will then sign a Sales Agreement containing details of your order. (Radius requires a 50% down-payment, 25% progress payment, and the balance prior to shipping.)
3. After your down-payment has been received Radius will Schedule Production.
4. Radius will arrange for shipping your product, which will be billed on a separate invoice.
5. Customer will contract Green Eye Technology (Radius Master Distributor and Installer www.greeneyetech.com) or local contractor to install the shelter system.
